

**I Can Be an  
Innovative Designer**  
**Book Sleeve Design**

**I can  
dream  
big!**

Flip this sheet of paper over for instructions.

Share your book cover and tag @mcdsg, we'd love to see your creations!

Two large, empty orange rectangular areas for drawing the back and front covers of a book sleeve. A vertical line separates the two areas.

**Back cover**

**Front cover**

**This book belongs to \_\_\_\_\_**

## Instructions

1. Tear the blank book sleeve along the dashed lines.
2. Fold the book sleeve into half along the solid lines in the middle.
3. Draw a self portrait on the right side of the cover and your dream house on the left side of the cover.
4. Fold the flaps along the outer solid lines.
5. Place the new book sleeve you've designed over your "I Can Be an Innovative Designer" book and you're done!
